## ABOUT ME

As a driven and well-organized professional, I assist companies with project management starting from inception to completion, particularly web projects, for which I also provide web development services. I employ a variety of methodologies to achieve this flawlessly.

## WORK EXPERIENCE

**Web Team Leader – Contractor** 2024 – Present  
USA , Atlanta GA – Beyond Media Marketing

I oversee project planning and management, provide technical guidance, conduct code reviews, ensure best practices are being followed, and ensure quality assurance.

I mentor team members, foster collaboration, and maintain clear communication with stakeholders. Additionally, manage risks, optimize processes, and handle budgetary considerations to ensure project success.

**Web Developer – Freelance** 2016 – Present  
Lebanon, Beirut

I assist businesses in creating websites from scratch utilizing the well-known CMS WordPress, and custom coding.

**Web Project Manager** 2022- 2023  
Lebanon, Beirut – BalanceBrightness

In my role as a project manager, I supervise the planning, carrying out, and wrapping up of projects, making sure they are finished utilizing various methodologies on schedule and within budget.

**Web Developer & Tutor** 2019- 2021  
Lebanon, Beirut – BalanceBrightness,

Mentor students enrolled in our online courses while creating and managing websites seamlessly with WordPress, a popular content management system.

## EDUCATION

**Ali Akbar Institute** 2015 – 2017  
BT3 in Accounting and Computer

**Ali Al Akbar Institute** 2013 – 2014  
BP2 Accounting and Computer
